

Invitation to the Fly-In to Corsica / Calvi

Dear Members,

As already announced, our Fly-In this year will take us to Corsica, also known as "Ile de Beauté", the "Island of Beauty", from

Thursday, 3rd June - Sunday, 6th, 2010

The fourth-largest island in the Mediterranean is, with its natural contrasts, a treat for photographers and lovers of unspoilt nature. Corsica rises more than 2,700 meters above the sea, offering its own special charm to the eager explorer. From the flat sandy beaches of the east coast across the rugged foothills of the mountains down to the cliff-fringed coves of the west coast there is a constantly changing picture of untouched and wild landscapes. As yet largely undeveloped for the tourist trade, the Island of Beauty is an insider tip for independent travellers.

Rooms have been reserved for us at the first class Hotel *La Villa*, with its stunning views over the sea and the mountains.

We will be taking the Island Railway "*Micheline*" through the beautiful landscape from Calvi to the Ile Rousse, followed by a sightseeing tour on the coach through the Balagne region.

On Saturday we will be having lunch in the Nicaretu Bay, right on the beach itself: lamb on skewers with regional specialities. There will be a chance for swimming and walking, too.

Dear Members, you are cordially invited to join us. You will find the complete program and the registration form attached.

The hotel rooms will be assigned in order of registration, earlier registrations receiving better rooms. The registration deadline is: 31st March, 2010.

I hope that most of you will be able to take part.

With best regards and see you again in Corsica!

Wilhelm Schröer
