

Announcement

Fly-In Elba 2022

from Thursday 2nd – Sunday 5th June 2022

The flag was designed by Napoleon himself when he arrived on the Island of Elba. Even if Napoleon was only about a year in exile on ELBA, his name is now inseparably connected to this beautiful Mediterranean island.

Dear Members,

Covid-19 continues to have the world in its grasp, but we still want to meet up again and enjoy a bit of luxury.

We look forward to seeing you again!

To this end we have been taking a closer look at a number of possible destinations since January 2022, but there were difficulties everywhere, making a get-together in the usual way impossible. A lot of work to no avail.

Either there were too few GA-friendly airfields, or too few available rooms in the right sort of hotels, or etc., etc.

So its back to ELBA, the pearl of the Tuscan archipelago, where they are always pleased to see us!

The Mediterranean island ELBA is at its most beautiful in the spring. The blossom is sweet, it is mild and warm and the tourists are still far away. The island of ELBA is part of Tuscany, being in the district of Livorno. It is hilly and, thanks to the humid Mediterranean climate, always green. Many people consider ELBA to be the finest of Tuscan holiday destinations.

LIRJ has space for us and is already looking forward to welcoming our fantastic aircraft!

We will be staying in the best 5-star hotel on the island - the Hotel Hermitage in Biodola, located on the coast in the island's most exclusive bay with private beach with the finest sand, jetties, three seawater pools, beach restaurant, etc., etc.

Interesting excursions are being planned and there will, of course, be excellent cuisine.

Dear Members, we look forward to welcoming you on our next Fly-In 2022.

ELBA, always beautiful!

Please save the date!

With best aviator greetings

Wilhelm Schröer
